****I have highlighted in yellow the items that are against “the norm” in the schedule.****

****The dates and times are subject to change.****

- For rehearsal, the students will need to be dressed for their class photo. We will not have another opportunity to take a class photo since Communion is offered at three different masses.
- For May crowning, I will need two volunteers, one boy and one girl, at each mass. This will be determined by first responses.
- For June 11th, we ask the class to participate in parade. We ask the students to wear their Communion suit or dress.
